DETAILED ACTION

Allowable Subject Matter

Claims 1-74 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not anticipate or suggest a tilt controller, a tilt manager, a tilt handler loaded by and in communication with the tilt manager and a tilt presentation loaded by and in communication with a tilt manager. The prior art does not anticipate or suggest creating a tilt by an event handler in response to an event wherein the event handler is decoupled from the tilt controller and the tilt manager in a manner that allows the gaming machine to load the event handler that is in compliance with the regulations of a gaming jurisdiction in which the gaming machine is operating without altering the tilt manager and the tilt controller..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
